

SAFETY CERTIFICATE

The school building of **Dehra Public School Khabli Tehsil Dehra District Kangra (H.P.)** was inspected by me with the concerned junior Engineer. The building has neither been designed nor constructed by this department. No earthquakes resistant norms have been adopted for this building. No structural drawings approved by the competent Government Agency have been produced. This structure is a Non Engineered structure, hence the structural safety of this building cannot be ensured specifically from earthquake point of view. This building has been constructed in the year **2005 and Block-III & IV in the year 2015**. This department will not be responsible for any type of loss of life and property etc. if this structure fails under any circumstances. However as per visual inspection of this building it has been found safe at present only for the year 2026-27.

Note:- The School Administration shall be responsible for security of the school children in the school complex.
